Board Member	David O'Donnell	417-4741
Newsletter Ed.	Gene Rimov	452-2806

WASHINGTON PILOTS ASSOCIATION

THE OLD FLIGHT SERVICE HAS BEEN BROKEN FOR SOME TIME, BUT NOW YOU CAN GET GREAT FLIGHT SERVICE IF YOU KNOW HOW!

COME WEDNESDAY AND FIND OUT HOW!!

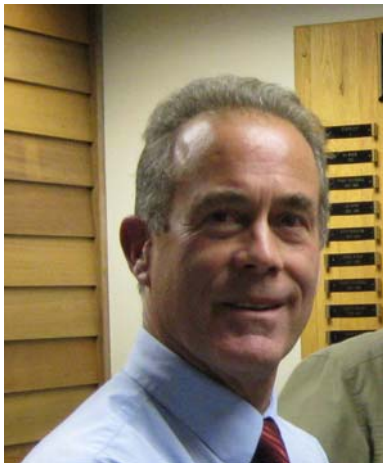

THERE HAVE BEEN THEFTS AT OUR AIRPORT. SECURITY DEMANDS THAT YOU LET NO ONE THROUGH THE FENCE WHEN YOU ARE DRIVING THROUGH! PLEASE WAIT UNTIL THE GATE CLOSSES BEFORE DRIVING ON !!

THE NEW FLIGHT SERVICE

Tim Riley has spent a lot of time getting ready for this presentation. The presentation requires internet access. When Tim is finished he will show you how to use the internet for flight planning purposes. This is a program every pilot that is currently flying needs to understand. Please invite your fellow pilots to come.

This meeting will be held upstairs in the Coldwell Banker building at 1115 E First Street, Port Angeles. The meeting room is equipped with large screens and has internet access. We hope to see you this Wednesday at 7 pm.

Jeff Robb has a message for you! Please turn to page 4.

Dava has been working hard on our Aviation Swap Meet. Please bring any aviation equipment that you feel is either worthy of selling or swapping to Sequim Valley Airport on Saturday, May 1, from 9 am to 4 pm. For more information please view the flyer on the next page.

Clallam County Pilot's Association &
Experimental Aircraft Association #430
First Annual
Aviation Swap Meet

- What;** Aviation Parts and Equipment
When: May 1, 2010 - 9:00 AM to 4:00 PM
Where: Sequim Valley Airport, Hangar 10 (East end)
Why: To buy, sell, swap or give away your extra or unused aviation stuff.

This is an excellent opportunity to sell some of the excess aviation parts and equipment that are cluttering up your hangar....or an opportunity to purchase that one of a kind aviation treasure.

Anything goes at this Garage/Hangar sale!!! We will have parts/pieces and even a few complete airplanes for sale.

Bring a table and chair or sell out of the back of your pickup or airplane. There are no seller or vender fees. Just a bunch of pilots getting together to swap aviation appurtenances and stories. Bring your own lunch or walk into sunny Carlsborg (approximately 1 mile).

A Mustang Car Club show will also be on-site during the Swap Meet.

For more information, contact Dava at 360-460-7979 or Donna at 360-681-7427

April 14 Tim Riley will present a program on the new flight service. **This program will be presented on the 14th instead of the 15th and at Coldwell Banker instead of Rite Bros.**

May 1, Aviation Swap meet.

May 20: History of Kenmore Aviation? Would you be willing to have the manager of Kenmore for the PA office speak? We'd like to have more than 10 folks show up. We are also working on alternatives for this date.

Safety Breakfasts are held at Fairmont Restaurant, 1127 Hwy 101 West, Port Angeles @ 7:30 AM. April 9 & 30, May 14 & 28, June 11 & 25.

Executive Board Meetings are held on the first Tuesday of the month at Coldwell Banker, 1115 E 1st St, Port Angeles: April 6, May 4, Jun 1

Executive Board Meetings are open to all members of WPA/CCPA

The Port of Port Angeles has been working to diligently to preserve commercial service at William R. Fairchild International Airport for many years. To that end we applied for and received a grant to market our commercial carrier, Kenmore Air Express and our community. This is one of many tools we will implement to sustain commercial operations and we thank everyone that has or will be assisting us as we proceed forward with this effort.

As all of you are aware we have been working for a number of years to implement a new approach procedure to runway 26. With a new approach procedure it will significantly reduce the time and fuel consumption under instrument approach procedures (reducing hydrocarbon emissions, reducing operational costs and improving the customer experience). We are in the final stages of our Airport Master Plan process and we are requesting community support for the implementation of a new approach to runway 26. If you have an interest in supporting a new approach to runway 26 I have included a Draft Template letter for your use if you would like to provide input to the Federal Aviation Administration. If you have any questions please feel free to give me a call or Doug Sandau, Airport Manager at 360-417-3456.

In advance thank you for supporting your airport.

Respectfully,

Jeffery Robb
Executive Director
Port of Port Angeles
360-457-1138

Perhaps your editor has been lying down on the job. I received this letter by email just two days ago and it appears to be a very important document. However, I do not have the Draft Template letter in my possession. If you have a copy of the "Draft Template", please bring it to our meeting on Wednesday. This definitely looks like food for thought and should be discussed at our general membership meeting on Wednesday.Gene

Did you know that in March CCPA had the best attendance ever at its two Safety Breakfasts!

**Minutes CCPA Executive Board Meeting
April 6, 2010**

Executive Board Meeting minutes of March 2, 2010 were approved as sent out.

There was no Treasurer's report this month.

Programs for upcoming General Membership meetings are anticipated to be:

April 14 th	The New Flight Service – Tim Riley
May 20 th	Open
June 17 th	Open

Jerry N. will talk to Jerry Tonini and Dave O will talk to Pat Paden (FAA Safety Inspector) about giving a presentation to the General Membership.

The Aviation Swap Meet for surplus aviation items is planned for May 1st from 9:00AM to 4:00PM at the Sequim Airport – Hanger 10. A flyer has been sent out to the EAA and CCPA memberships. Gene will look into getting a “Hot Dog Cart” to stop by the day of the event. Dava will contact the Daily News to advertise in the classified section (not to exceed \$100). WPA will advertise the event in the next edition of Wings (free). WPA will also send out an e-mail (text only) to all WPA pilots in Western Washington announcing the event. It should go out around April 15th. Anyone flying to an outlying airport is encouraged to post a flyer on all information boards at FBO's, restaurants, etc to announce the swap meet. If you have any questions, contact Dava McNutt.

WPA is now posting the current CCPA Newsletter on the Clallam County webpage. Check it out at www.wpaflvs.org.

We now have 37 paid members in WPA/CCPA for 2010.

We need ideas for future programs and articles for the Newsletter/Wings. If anyone has any suggestions please contact any Board member.

A GPS was stolen from a local airplane at CLM. There have been unauthorized persons that have been seen meandering around (inside the fence) at the airport. All pilots should be encouraged to make contact with “strangers” and find out their business. Suspicious activity should be reported to 1-866-GA-Secure or 911. All pilots should review the AOPA Airport Watch guidelines for airport security. Remember to “Do your Part---Lock up---Look out”. To take AOPA's GA Security Online Course go to <http://flash.aopa.org/asf/gasecurity/gasecurity.cfm>.

Next Safety Breakfasts

April 9th and 30th
May 14th and 28th
June 11th and 25th

Next Board Meetings

May 4th
June 1st
