Does your editor look like he's having a good time at the beach? Actually, he's dreaming about it right now because he's going on vacation and so this newsletter will have to do for two months.

Does this edition of your newsletter look short? Well it is because the new Windows 7 photo editing program got into an argument with Gene's new Windows 7 Android photo mobile phone and turned downloading photos into an endless loop. Never fear, Gene does have someone working on the problem and hopefully by the time he comes back from vacation he will be able to give you a more complete newsletter than this one.

**Do You Know!**

**That once a student pilot solos he is eligible for a year's free membership in both WPA and CCPA.**

**If you know of any such student, please bring him to one of our meetings or a safety breakfast and we will sign him up. We can always use more members and besides "FREE" is a very good price !!!!!**

Minutes CCPA Executive Board Meeting  
August 10, 2011

Executive Board Meeting minutes of July 6th were approved.

The Treasurer reports we have \$2,458.87 in our checking account and we are up to date with WPA.

Tentative programs for upcoming General Membership meetings are anticipated to be:

August 18 <sup>th</sup>	Interesting aspects of Aviation History Videos
September 22 <sup>nd</sup>	Pilot Experience in the Army – Colleen McAleer
October 20 <sup>th</sup>	US Coast Guard Update – Craig O’Brien
November	Galvins FBO Update – Skip Mosher
	Seattle Approach Presentation on Airspace Revision
	WPA Safety and Education – Jim Faustina

Membership dues are up to date as far as we know. We will confirm the roster at a future Executive Board meeting.

There is no new news on the CAP program status.

It would be a good idea to remind all local CFI’s (including Jefferson County) to nominate new soloed students for a free CCPA/WPA membership. All Board members will try to help get the word out.

We always need ideas/pictures for future programs and articles for the Newsletter/Wings. If anyone has any suggestions please contact any Board member.

Tim Riley has offered to contribute articles to the monthly CCPA Newsletter. The Board unanimously approved the idea and would like to open the suggestion to other CFI’s as well for additional input.

Bob Hicks received a request from Volunteer Chores Services of Port Angeles to provide air transportation to medical facilities for people who otherwise couldn’t afford to get to their appointments. It was discussed and agreed that members could certainly participate on their own accord, but that it could not be sanctioned by CCPA due to liability concerns. It was suggested the VCS should contact the Angel Flight organization. Gene will mention this in the next newsletter.

Dave O’Donnell suggested that we organize fun-flies as a CCPA group to fly to events like Hood River Museum, Blackberry Festival, etc. We will try to be more proactive to organize our membership for future outings.
