PRESIDENT'S MESSAGE:

CCPA Pilots,

Skip Moshner will present a 2-hour seminar on Saturday, January 21st from 10:00AM to 12:30PM in the Security Room at the KCLM Terminal Building.

Skip's presentation is entitled "Establishing Your Own Safety Strategy" and deals with safety management and how many of the safety attributes of commercial aviation may be scaled appropriately to benefit all general aviation pilots.

Skip is an ATP, CFII with over 13,000 flight hours and 20 years of local experience. His focus on safety management and proactive analysis is an essential asset whether you are flying Boeings, Champs or anything in-between.

I hope to see you at this Special Presentation.

Why not do it today?!

Our January and February meetings are both on . . . a SATURDAY.

On Saturday, January 21 we will indeed be fortunate to get Skip Moshner to make a presentation. We need a good turnout to encourage the CCPA board to ask folks of Skip's caliber to come all the way to Port Angeles. Please mark your calendar.

On Saturday, February 25 CCPA will take a road trip to Puyallup. No doubt we will have goodies and coffee on the way down and a free lunch when WPA holds its annual meeting. This is also a perfect opportunity to corner possible speakers who are willing to come to our isolated neck of the woods. Please mark you calendar for this event too.

**Minutes CCPA Executive Board Meeting
 January 4, 2012**

Executive Board Meeting minutes of December 7, 2011 were approved.

The Treasurer reports we have \$3,005.80 in our checking account and we are not up to date with WPA.

Tentative programs for upcoming General Membership meetings are anticipated to be:

- January 21st Establishing Your Own Safety Strategy" – Skip Mosher
- February 25th Road Trip to NW Aviation Conference in Puyallup

March 15 th	Challenges of a new CFI – Jim Marcias
April 19 th	Engine Preservation and Reliability – Craig Gottschalk
May 17	Update on Seattle Class B – Karen Mitchell

We always need ideas/pictures for future programs and articles for the Newsletter/Wings. If anyone has any suggestions please contact any Board member.

2012 WPA/CCPA dues are due. 33 people have signed up so far, and we will discuss further at our next meeting.

We have 48 CCPA logo caps on order that should be here soon. Cost was \$7.30 + Tax + Shipping. It was moved, seconded and passed to offer caps to the membership for \$10.00/hat. Any excess caps will be used as promotions/gifts for presenters. We will look into purchasing nametags for CCPA members.

New charts are available depicting the new SEATAC class B layout. It was suggested that we invite Karen Mitchell (Seattle Approach) to give a presentation to the group on the new configuration. The new configuration appears to make it easier to transition North/South along the West side of Sea-Tac while remaining clear of Class B airspace.

Discussed taking a road trip to Puyallup for the Norwest Aviation Conference and Trade Show. The conference will be held February 25th and be in lieu of the February General Membership meeting. Contact Jerry Nichols at 417-2803 or oldnick@olympen.com if you are interested in reserving a seat on the Coldwell Banker bus.

WPA has published its Leadership Team and meeting schedule and copies were passed out. It was noted that there will be a General Membership (lunch included) Meeting on Saturday February 25th at the N.W. Aviation and Trade Show in Puyallup.

Safety Breakfasts

January 13th and January 27th
February 10th and February 24th
March 9th and March 30th

Next Board Meetings

Hey Gang, what do you think of the hat design.? The "board" felt that charging \$10 per hat was a very good deal considering all the extensive embroidering. We are planning on one correction: The "ASSOC" should be replaced with "ASSN". We should all be looking forward to purchasing our own personal hat. If they come in time, we could wear them down to the NW Aviation Conference and Trade Show in Puyallup. Wouldn't that be cool?
