**WASHINGTON PILOTS ASSOCIATION**

**Please mark, Saturday, May 1, ( 9 am to 4 pm)  
on your calendar. This is the date of our Fly-in  
for airplane parts/airman's garage sale.**

Dava first proposed her idea of a Fly-Mart last year. However, with the weather worsening in the fall, the board waited to schedule this event for May 1.

To make this event a success, we need your support and ideas. For instance, what sort of arrangement for food would you like? Do we invite vendors of aircraft supplies? The Fly-Mart will be held at Sequim Valley Airport in and around Hangar #10.

Your board is listening and so is Dava. So come to our next meeting, learn about our Fly-Mart, and give us your ideas.

### What Would You Like to Sell? What Would You Like to Buy?

Anything from an entire airplane to airplane parts are fair game. We need to know what you might like to buy and what you might like to sell at our Fly-Mart on May 1. Bring a list of items that you might want to sell or tell us what you are looking for in writing. Some of these items could be listed in our next newsletter. We also need pictures and photos of these items so that folks can see what we have to offer or what you might be looking for. Bring photos, if possible, so that some of these items can be placed on a future poster for distribution. Bring your lists, pictures, and photos to our next regular meeting at Rite Bros on March 18.

Armed with the information that you bring us on March 18, we can now put together an additional poster that can be distributed to airports around the state. We can also use the information that you give us for publication in the April Issue of our newsletter. All of this amounts to free advertising.

Our next meeting will be about the history of Naval Aviation and Carrier Ops. So come to our next meeting on March 18 and enjoy!

**Remember the trip to Puyallup for the NW Aviation Conference and Trade Show?**

**Well, Jerry got to Coldwell Banker before 6 AM to prepare the coffee for the trip to the Show in the Coldwell Banker van.**

**Arriving shortly after 6 am was our Veep, Gary Johnson. Using some good sense, Gary protected the rest of us from type II diabetes, by cutting the goodies in half.**

**When Mel arrived early and found the kitchen full, he did the only sensible thing that was left to do . . . . .**
