Gene did get a chance to talk to Captain Crystal Stout. She was a little concerned about returning to Port Angeles where the field is not policed the way she can at Sequim Valley. So instead, she invited us to come for a balloon ride at Sequim Valley.

If any of you are interested, just show up at Sequim Valley Airport at 7:30 am on Friday, September 13 (That's this Friday). As of this writing she had two available open places in her basket. The cost: \$250 per person. If you would like to serve as part of her ground crew, just show up at the same time and there is a good chance you would get a free tethered flight after the regular flight.

## AIR AFFAIRE, ONE BIG SUCCESS

If you showed up at Sequim Valley Airport on August 31 or September 1, you would have been impressed with the number of exhibits and people who turned out. It was a very busy airport on those two days.

Lots of antique cars

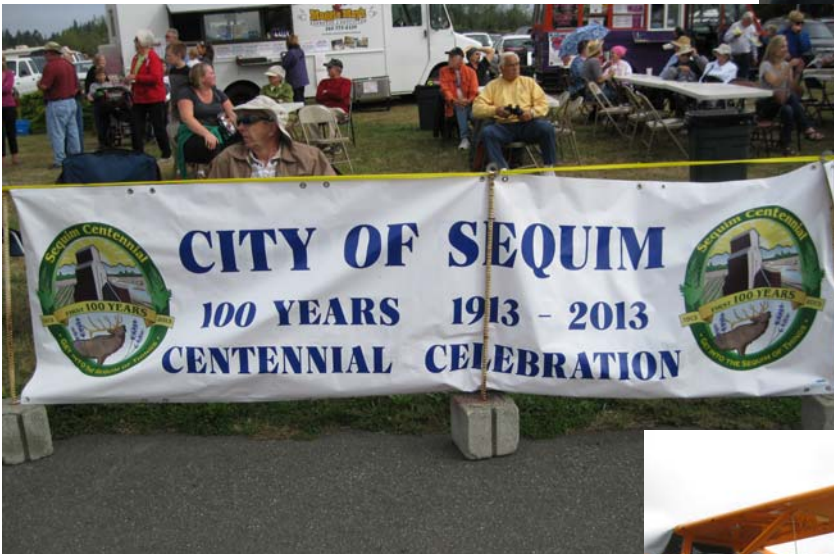

Diamond Point Swifts fly overhead

Andy Sallee celebrates 60 years of use for Sequim Valley Airport

Emily Westcott, one of Air Affaire's chief organizers

Of course, there was a band

Lots of unusual aircraft
