

The NorthSound chapter meeting was called to order by president Powell at 7 PM on Jan 14, 2016.

Elizabeth McCarter was introduced, who will become the newsletter editor. The Christmas dinner was discussed. Maureen Griggs appealed to the membership to suggest speakers for future dinners.

Dave Grant gave a treasurer's report, stating that there is \$4101 in savings and \$3510 in checking, with no outstanding debts. The Christmas dinner cost the chapter \$497 because of some unanticipated expenses. Membership total stands at 43, with a plea to renew....contact Dave Grant or do it at the WPA website. Past totals have been recently around 60. We get \$12 dollars out of the total dues, which is our only income.

A new slate of officers/directors was voted on and approved. Robert Powell continues as president, Paul Zosel as secretary, and Dave Grant as treasurer. Directors include Peggy Gordon, Chip Laplante, Leslee Probasco and Don Muir. Maureen Griggs continues as program chair and Elizabeth McCarter was added as newsletter editor.

The speaker was Rick Luke, who as our regional DPE went over "what a private pilot should know", part I.
