The April 14, 2016 meeting of the NorthSound chapter was called to order by president Robert Powell at 7 PM. President Powell mentioned the future taxiway closures planned for KBLI. Also, about how to reserve the WPA cabin on Stuart Island. Just got to the WPA site at www.wpaflys.org and contact Tom. It was announced that Aaron Collins is now the new airside manager at KBLI.

The program was provided by the ATC personnel at Whidbey NAS..KNUW.
