

PAE Aviation Day 2012 Transient Pilot Briefing

Please print out the last page in this document and show it to ramp personal to confirm you will be parking in Transient Parking

Arrival at PAE

Paine Field Aviation Day opens to the public at 9 AM on Saturday, May 19th. Young Eagles flights start at 9 AM and will launch off of 16R/34L (West runway). Flying demonstrations will be throughout the day with warbirds scheduled to fly shortly before noon and B-25's at 4:00 PM. Even though the airport is not closed during the event, ATC will direct you to the Eastside runway, 16L/34R, 3,000 ft x 75 ft. This should be suitable for most GA aircraft.

Demonstration flights and Young Eagles flights will route to the West of Paine Field, so please setup for an Eastside arrival.

Eastside of PAE, Runway 16L/34R Tower Freq.: 120.20

Westside of PAE, Runway 16R/34L Tower Freq.: 132.95

Ground freq.: 121.8

Ramp freq.: 122.85

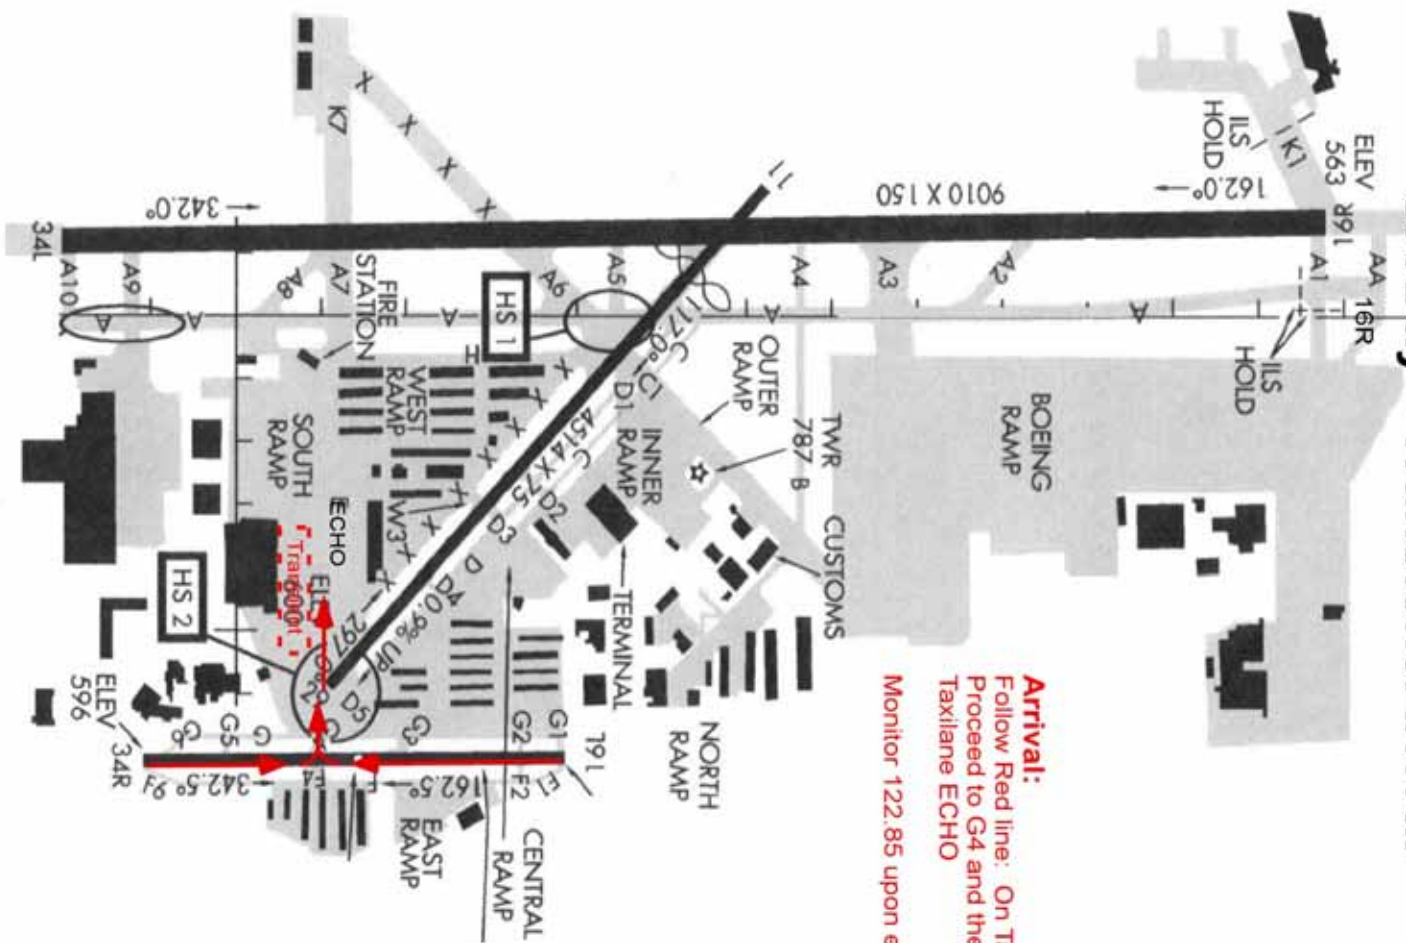

Parking

Follow the taxi route shown in the enclosed diagram. Upon entering Echo Taxilane, monitor the ramp frequency, 122.85. There will be ramp personnel to direct you to parking. Parking will be south of the B787s. Please do not park in the area designated Young Eagles Flights as this will be disruptive to the Young Eagles Program. Entry to the event is through the Main Gate which is located by the Flying Heritage Collection. Do not enter over/under or around the fencing. An event layout is attached.

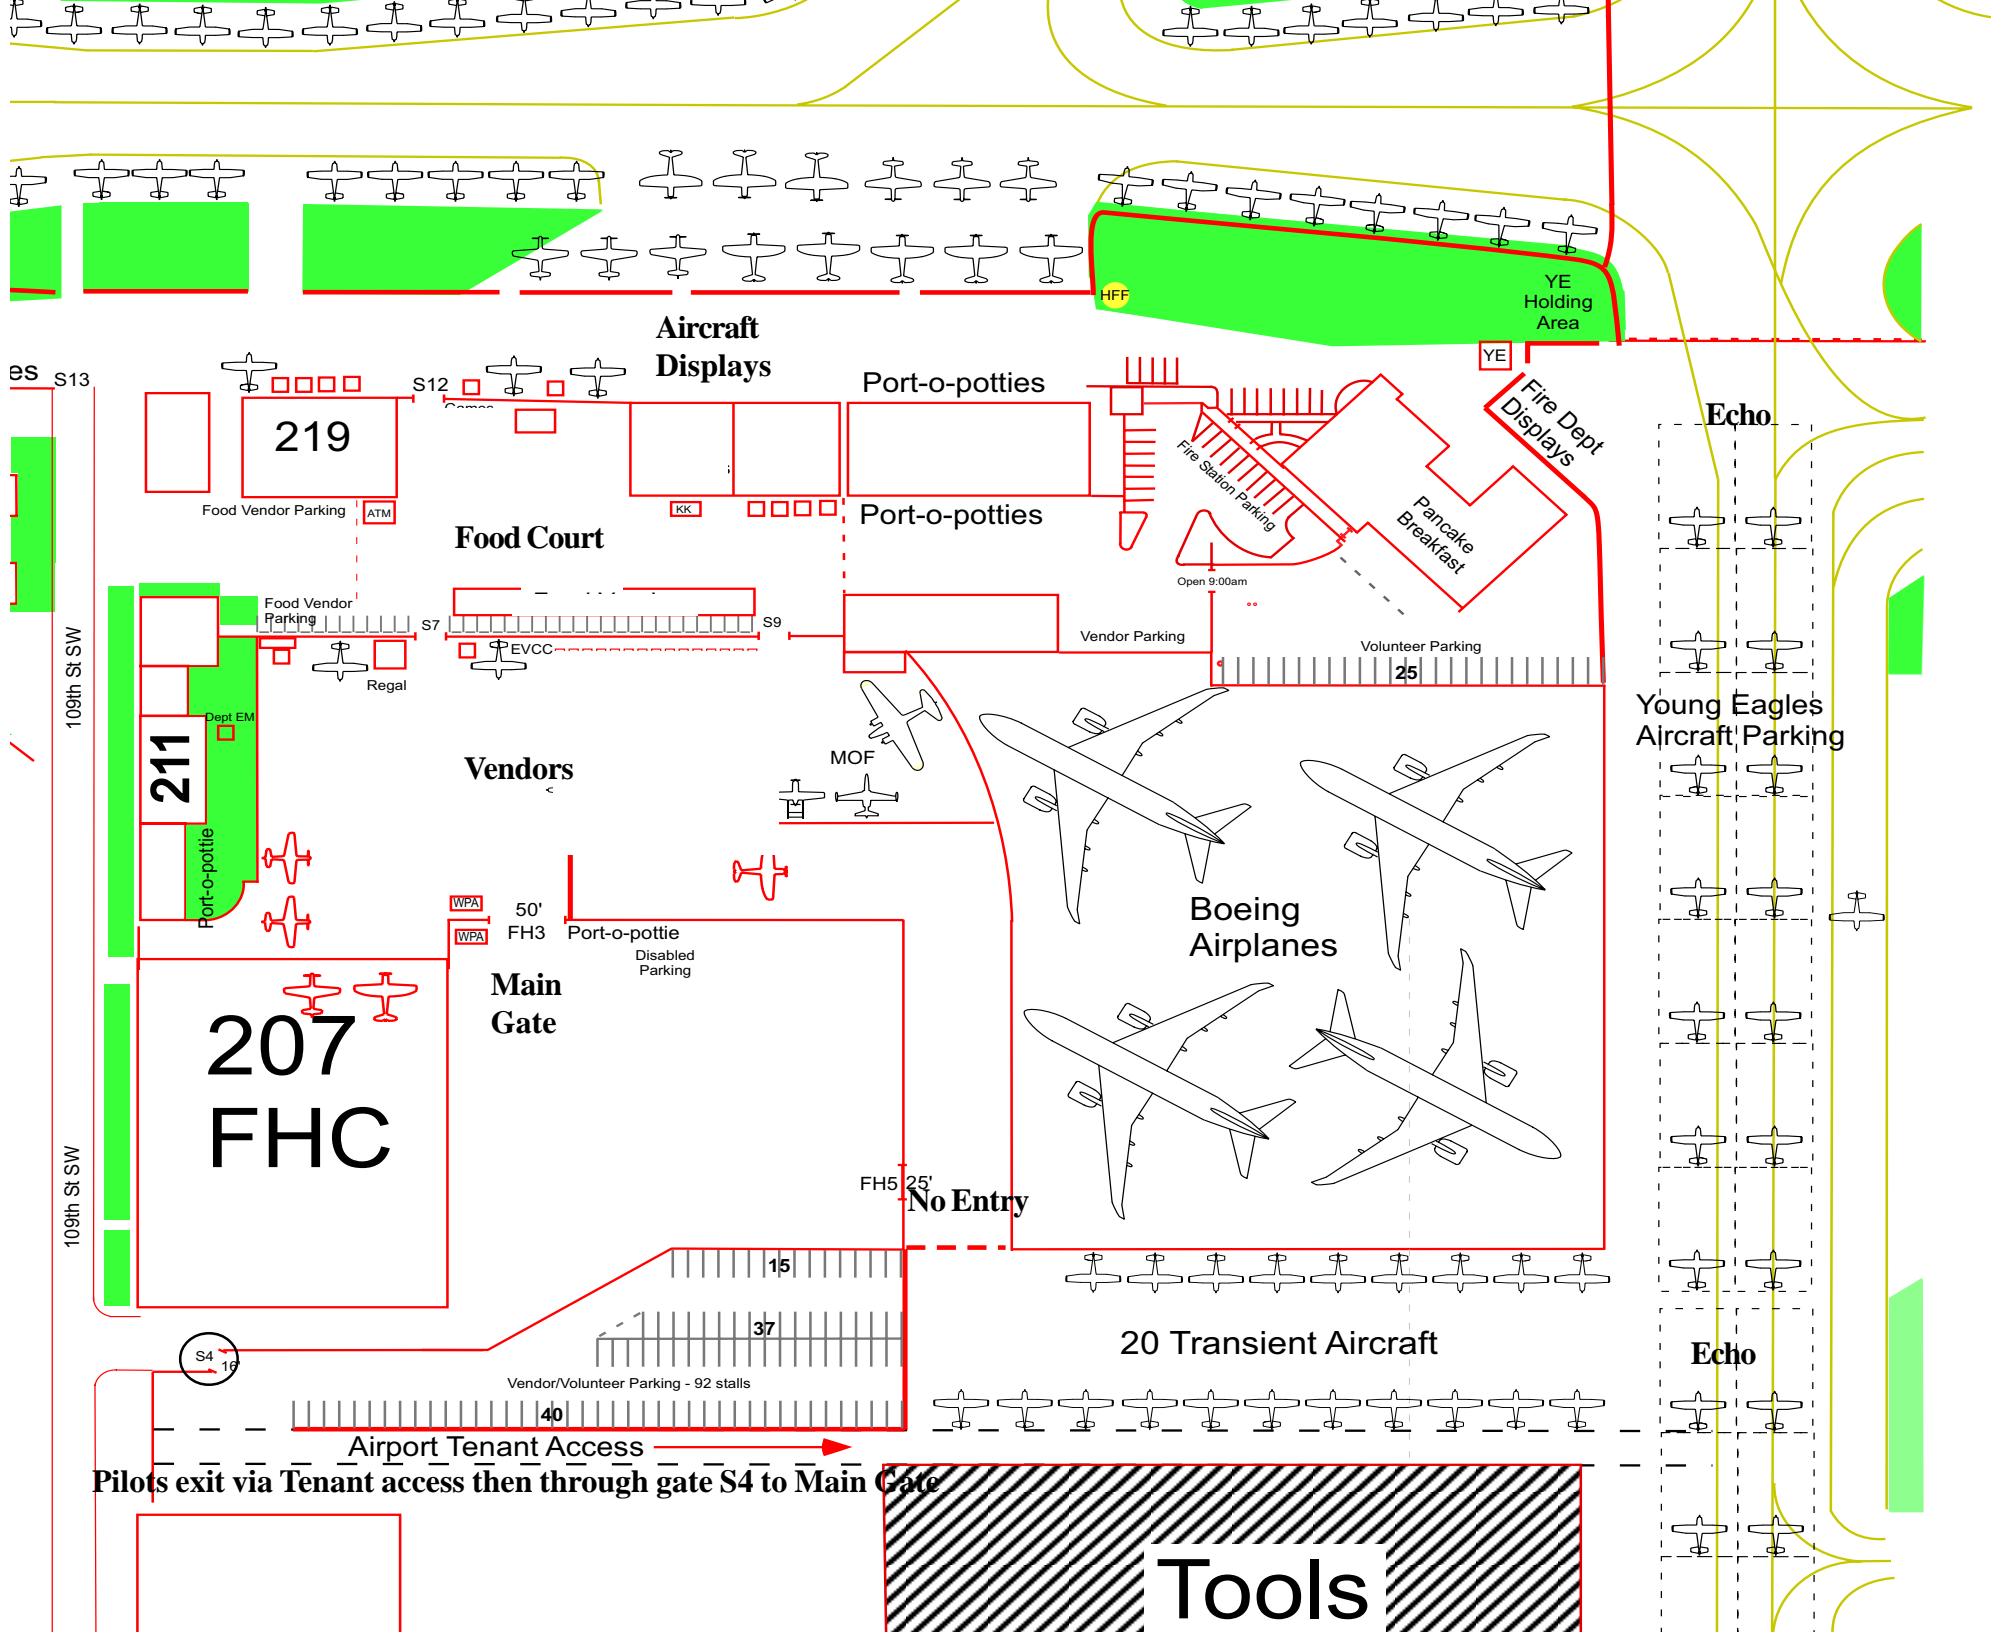

Departure from PAE

Advise ramp personnel that you are departing. Following their instructions. Upon entering taxilane Echo, contact ground, 121.8. Expect the Eastside Runway, 16L/34R.

GA Day - Transient Arrival

Arrival:
Follow Red line: On Taxiway Golf
Proceed to G4 and then West on
Taxiway ECHO
Monitor 122.85 upon entering Echo.
