

## Looking for Volunteers

The Snohomish County Airport, Washington Pilots Association and Historic Flight Foundation are planning a superb day of events for Paine Field's Aviation Day on **Saturday, 19th May, 2012**. We could not produce a great event without dedicated volunteers on board. Are you in?

This event is open to the public from 9 a.m. to 5 p.m. with a full day of activity for the whole family. Volunteers will be assigned an am or pm shift. Volunteer opportunities are many and at different times. These include Friday May 18th for setup, day of pre-event, event-am, event-pm, event-all day, event tear down. Any time not on shift will be available for your own enjoyment. In addition to many aircraft on the ground and in the air, highlights this year will include attendee access to HFF and HFC, a gathering of Mitchell B-25 bombers, and an increased focus on care and feeding of our volunteers.

Snohomish County Airport will provide volunteer t-shirts, ID Lanyards and refreshments. A meet and greet orientation will be held Thursday, May 17<sup>th</sup> at 6:30 pm to introduce the key figures and leads, and hand out information packets. This will also be an opportunity for you to pick up your t-shirt, lanyard, etc., and for us to answer any additional questions you may have.

Please specify if you need to be seated, or would prefer an inside position, so that we may accommodate any special requests.

Click the link below to send an email that will add you to the team. Please reply with any updated information if you have changed address, phone or email that we are not aware of.

There will be a volunteer appreciation (following cleanup of the event) at Historic Flight Foundation.
