

## YOU are the WPA!

By Robert Hamilton  
WPA PAE President

As an all-volunteer organization, you really are the WPA.

On October 12th we held our annual planning meeting, and I was happy to see that 20 people showed up to help set the stage for a great 2007.

We have many exciting events in store, including old favorites plus some adventurous new ones.

A major new fly-out destination for 2007 is receiving a lot of enthusiastic support, and it's one that I am personally looking forward to - the Ashland Shakespeare Festival.

I was also pleased to have so many people raise their hands and volunteer for leadership positions.

Pilots are action-oriented people and like to fly left seat, and it shows when jobs need to be done. We have an incredible slate of officers lined up, and I will be very excited to have **Kevin Kelly** and **Greg Bell** up in the cockpit.

Also stepping up are:

**Gary Hill** for the 2007 seat on the Board of Directors,

**Dave Wheeler** helping with Promotions, and

**Susan Kennedy** acting as our Saturday morning fly-out coordinator and reporter.

Two major positions that still need to be filled, and that YOU would be ideal for, are GA Day Chair and Board Secretary.

The complete slate of officers and committee chairs will be presented at the Nov. 3 General Meeting, so there is still time for you to call me and sign up!

I will also unveil a new way for us to organize, highlight, and recognize all of the wonderful volunteers that we have throughout the year.

We will have a **Volunteer Board** that shows all of the different events and all of the different volunteer positions that it takes to staff them.

You will be able to sign up for the events and activities that interest you most, and it will help you plan your calendar for the coming year.
