President's Message by Les Smith

If we missed you at the November General Meeting, I want to report to you on the election results. Your Paine Chapter Board remains essentially the same as last year. Yours truly as President, Dave Wheeler as Vice President, Greg Bell as Treasurer, and Marilyn Fries as Secretary with back up by new member Karen Reid. Karen was attending her first General Meeting as one of the newest members of the chapter, and answered the call to volunteer, accepting her nomination to office. Thanks Karen, we're pleased to have you join the chapter and appreciate you stepping up so quickly. Jim Morgan enters his third year Director, and is joined by Jim Faustina and Dick Kinnier, filling out our Director positions. My thanks to Gary Hill for his three years in Directorship. I look forward to you continuing to share your counsel and voicing your thoughts and opinions.

Speaking of thoughts and opinions, there's plenty to think about with the new Rules and Regulations drafted by Dave Waggoner's airport staff. We have a committee reviewing the document, with the open invitation from Dave to sit down with the airport and offer our feedback and recommendations. If you have not seen the draft document, it is available on the airport's web site (http://www.paineairport.com/draft_rules.html). If you have seen it, and want to add your comments to our Chapter's response, then please send your concerns to me at paine-president@wpaflys.org and I'll make sure it gets to committee members Stephanie Allen, Rich Jones, Gary Hill, and Dave Wheeler. Of course, you're welcome to send directly to them. You are also certainly free to send your feedback directly to the airport, but we would love to hear from you and provide an inclusive voice when we meet with the airport.

I don't know if you noticed that email address I gave you a few paragraphs back, but it is a change. We are in the midst of relaunching the web site under the WPA State hosting, and that means a number of changes. The first item available is the Christmas Party RSVP form, which can be found on the "Social Activities" tab of our new site. Go to the State web page at <http://www.wpaflys.org> and select "Paine Field" from the Local Chapter dropdown list - or you can go directly via <http://www.wpaflys.org/Chapters/Paine/index.htm>. If we had the resources of Google, Yahoo, or Amazon, we'd have a huge site with lots of content up and running. Alas, we are a small group of volunteers, so we'll be taking small steps, adding content as we can. With these changes, there is also a change in Chapter officer's email addresses. Look for those listed elsewhere in this newsletter.

And don't forget to download that Christmas Party RSVP and join us December 11th for the Paine Chapter WPA Christmas Party!

Be safe out there!

We have moved our Web Site. All of the E-mail addresses have not been completed. If you have not received a reply to your e-mail, please call one of the above phone numbers.

Hello,

Here is a link to a web album of pix I have created from five days of flying, camping, fantastic fun, food and friends in the back country and wilderness areas of central Idaho. This was the Back Country Safari and it was the second year I attended.

We had a base camp at Johnson Creek, Idaho near the small and remote town of Yellow Pine. Each day for three days, we would form groups of 3 to 5 airplanes and fly into other remote airstrips in the area. The first day I joined up with a group of airplanes and we flew through Hells Canyon on the Snake River. The second day we flew to Montana and the last day we flew some of the strips on the Middle Fork of the Salmon River.

The weather was spectacular and the rest is documented in the pictures. I have set captions for most of the them.

Best regards, Alan Negrin
