President's Message *by Dave Wheeler*

Hello every one. Here it is almost the end of another year, and what do we have to show for it? Well, I guess you are going to have to come out to the meeting Friday Night, November 4th and find out. We'll be having our year 2011 in the life of PAE/WPA and you'll not want to miss it. It has been a great year, and we'll see how close I came to getting my goals for the year met.

Moving on from here, also in the November meeting we'll have the final nomination for officers and directors, and then the actual election. We have a lot of positions open, so be thinking if you would like to help in an official capacity next year. Starting with my position, I have decided that with my new career just starting up (yes, I am back working again teaching at the Boeing Company) and our business, and music, and, and... I just don't have the time that I used to have to devote to the office of President. We have one nomination for the job, but a well opposed election is really a lot of fun. Think about it. Vice President is open also, as Steve Waterman has tossed his hat into the ring to be President. If elected, that leaves the VP slot open. Karen Reid has also come to the realization that she too is just too busy with new obligations to continue as Secretary for 2012, so that position is open. Greg Bell has offered to do the accounting again, but if you really want the job he would step aside and hand over the reins. Its simple accounting and training would be supplied too!

For the three board positions, Paul Arrington has offered to continue in the Board Position vacated by Jim Faustina, Shane Morgan will retain his seat, and Les Smith has offered to run for the Board Position that is opening up since Dick Kinnier's three year term has come to an end.

OK so when the dust has settled, what we really need is a Secretary, and Vice President. The job descriptions can be found in the bylaws in Section IV. OK Section four. The job descriptions were also printed in the last newsletter, (on the website) on page 3. Several chair positions open too, and the biggest is the Membership Chair Position. Think about all of these positions and come on out and join us. It is very rewarding, a ton of fun and we need you.

Remember that we also select three or four distinguished members for awards. They are Pilot of the Year for that someone that really puts WPA at the head of their priority list; Spark Plug of the Year for the member that is always there lending a hand; and Sponsor of the year for the person or business that has supported our chapter in a special way through the year. The Wright Stuff Award shall be given in response to circumstances surrounding an incident that required outstanding flying or judgment. The criterion is that the aircraft must have been under power with a pilot in command. Get your nominations into Stephanie Allen soon so we can have the plaques engraved in time for awarding at the Christmas Party. She can be reached at Red.Skyhawk@Frontier.com.

Are you looking for an activity to get you in the holiday spirit?

Volunteering at Christmas House in Everett is just what you need!

Paine Field and the WPA have supported Christmas House by collecting toys for children for the last two years. This year, consider giving the valuable gift of your time. You can volunteer for as little as one shift or many. In order to serve the estimated 3,500 families, they need help from 50 volunteers during each of the December shifts when families select gifts. In addition, many more helpers are needed on move-in day (Nov. 26th), set up (Nov. 27-30) and move-out day (Dec. 26th). Check the Christmas House website www.christmas-house.org for more details. Let's make the childrens' holiday spirit soar!

Kevin Kelly, Aviation Academy Director took these photos from an **Aviation Merit Badge** class that he taught on Sunday, October 9th at Paine Field. Seven Boy Scouts from Troop 20 spent the day learning about aircraft and instrumentation, took a tour of the airport, performed flight planning, and learned how to pre-flight an airplane in order to meet the requirements to earn Aviation Merit Badge.

President's Message Continued from Page 1

The elves have been somewhat quiet this year, but working on the Christmas Party none the less. It will be held on December 9th at The Woodfire Grill on the Everett waterfront, near Anthony's. The menu has not been solidified as of today, but promises to be really good food, and inexpensive at the same time. The minimum dinner price will be in the 17 – 18 dollar range, so as to make it more affordable, leaving a couple of bucks left over for Avgas. And, we'll have those wonderful Carolers again that entertained us so well at the Embassy Suite a couple of years ago. In addition, we'll have the usual door prizes, and the Chapter is picking up the tab for a nice surprise dessert. So get your reservation into the elves by emailing to jwnwac@live.com telling the head elf how many will be in your party. We have room for 60 so get your name in quickly. It will be a bit different this year as the committee will have preselected several entrées and the restaurant will provide a special menu for you to order from at the restaurant, so no pre ordering as in years gone by. Remember to start shopping for the Christmas House gifts. We'll have the collection barrels out at the PAE FBOs soon.

That's certainly enough rambling for now, so until I see you at Sno Isle on November 4th, may you always find VFR and Tailwinds. As stolen from my mentor of many years
