WPA Board Meeting 08-12-04

John Dobson is planning to schedule a meeting on Saturday, October 9, 2004 to decide the calendar for next year. This meeting will be at his house. Those who are thinking about being an officer, director or committee head should attend. The social time will start at 3:00PM. Business will begin at 4:00PM.

The Hanger Party is on September 10, 2004. We are planning having the meal catered. The cost will not exceed \$10 per person. We are considering having a raffle. RSVP for the Hanger Party via our web site

Treasurers Report - We appear to be about two thousand ahead of where we were last year. This is mostly due to managing the costs of publishing our newsletter.

The Republic Fly Out is on August 28-29. We will get a flyer out on this.

The web site has been updated to reflect the change in the Meeting date for October and the Victoria fly out dates in September.

We had an interesting discussion regarding merging our web site with the State WPA web site. At this point we have concluded that we will not get this done by the end of this year so we will be purchasing our server space for another year.

We decided to start publishing the 10 lowest aviation fuel prices in Washington State in our news letter. This information will be obtained from www.airnav.com. We are concerned that Paine Field has higher fuel prices than almost any other airport in Washington State.

John Dobson will chair the nominating committee and will ask the following people to participate on the nominating committee: Jim Smith, Rebecca Lohman, George Luck, Jerry Miller.
