

Washington Pilots Association, Paine Field Chapter

6 June 2008

7:55- Call to Order by Greg Bell followed by pledge of allegiance

Old Business – Congratulations were given for the fine job Jim and Marilyn Fries did on GA Days.

New Business – It was announced that the Flying Heritage Collection was now open. An announcement was made calling for volunteers to fly teachers for the Science of Flight program. Greg gave Becky (Sno-Isle) a \$300 check in appreciation for the students hard work putting on the dinners. Jim from the Paine Field Fire Department announced that due to the start of construction of the new fire department, the S9 gate would be moved and there would be scheduled power outages.

Committee Reports: Jim Faustina announced that the sheet metal seminar would be held on 7 June from 8 AM till Noon. Dick Kinnier introduced two new members and called for volunteers to sponsor future new members. Robert Hamilton announced the upcoming July trip to Whidbey N.A.S. instead of the regular General meeting.

8:15 – Program – Dave Wheeler spoke about the Challenge air program to give rides to handicapped children. He called for volunteers to give rides or help put on the event and for money contributions to the program

Meeting Adjourned at 9:00
